

HOMAGE TO  
Late Shri P.K. SRINIVASAN

# PKS - The Legend

His contribution to the discovery of the man Ramanujan, whose genius in Mathematics continues to dazzle the world, is internationally recognized.

PKS as he was fondly addressed, dedicated his life in presenting Ramanujan as a Super Student Star by bringing out two memorial volumes in the 60s on this genius. He introduced his concepts and findings by publishing books for the primary, middle and high school students.

He founded the first museum in the world for the Genius Ramanujan, in Chennai, India.

As a Founder Member of the Association of Mathematics Teachers of India he pioneered a math journal for school students called *Junior Mathematician* and authored and edited many books published by AMTI

Lecturer NCERT Study Group

PKS contributed significantly to Math Education by introducing Algebra for 8-year olds – a project funded by the Ministry of Human Resource Development.

He was awarded the National Science Award for Best Effort in Popularisation of Mathematics among children.

He also received the Exemplary Citizenship Award

PKS participated in 4 consecutive meets ICME (International Congress on Mathematics Education) in different parts of the world since 1972

Known for popularising Student's Mathematics Exposition, PKS organized several math expositions and fairs including the inter-school math project in India, USA & Nigeria.

Many Governmental Agencies, State and Central, private and public educational institutions all over India availed his services as Mathematics Education Consultant and as a Teacher Emeritus.

PKS authored over 50 enrichment books in Mathematics and Math Education.

He has also written hundreds of popular articles of Mathematical interest to parents, children and general public in *The Hindu*, *Indian Express* and *Dinamani*.

PKS Designed and Developed the Mathematics kit to promote Math Lab concept in schools.

PKS extensively traveled all over the world and as a strict vegetarian and teetotaler he promoted Vegetarianism.
